

DER FISCHLADEN – SCHÖNHAUSER ALLEE

English Menu

As fresh as can be! All our dishes are prepared freshly for you once you place your order, in fact you'll probably see the chef taking the fish from the fresh fish counter. So when it is busy this can mean a slight wait but good things are always worth waiting for. So have a beer or a glass of wine whilst we do the cooking.

SEASONAL FISH

Ask our team about which fish is currently in season. It might be Mussel time again or we may have just got some really good Black Cod in from the North Atlantic.

DESSERT

There isn't any!!! But what we do have is a refreshing Lemon Sorbet drenched in Limoncello Liqueur which is a great way to finish off after a fish dish.
